

Dr Anup Agrawal

President:
Indian Orthopaedic Association
President: 2023-24
Up Orthopaedic Association
President: 2023-25
Asia Pacific Trauma Association

It gives me immense pleasure to extend my heartiest congratulations to the Uttar Pradesh Orthopaedic Association on the publication of this beautifully curated Coffee Table Book on the occasion of its 50th Annual Conference—a truly great moment in the illustrious journey of UPOA.

This publication is much more than a commemorative volume; it is a thoughtful documentation of the rich legacy, evolution, achievements of the Association over five decades. By capturing the history of UPOA, this book serves as a bridge between the pioneers who laid the foundation and the future generations who will carry the Association forward with renewed vision and purpose.

*I would like to place on record my deep appreciation for **Dr. Piyush Misra**, whose painstaking efforts in collecting archival material, chronicling events, and connecting the dots of history have made this publication possible. His dedication, perseverance, and scholarly approach in penning the journey of UPOA deserve special commendation. Such an endeavor requires not only hard work but also a deep sense of belonging and respect for the institution—qualities that are clearly reflected in this book.*

I am confident that this Coffee Table Book will remain a treasured keepsake for members and an enduring source of inspiration, pride, and learning for generations of orthopaedic surgeons.

Once again, congratulations to the entire UPOA fraternity on this historic achievement, and best wishes for continued excellence in the years ahead.

Golden Footprints

CELEBRATING

50

YEARS OF

UPOA & ITS LEADERSHIP

Curated by **Dr. Piyush Kumar Misra**

Dr. Piyush Kumar Misra

Compiler - Golden Jubilee Coffee Table Book

President - Uttar Pradesh Orthopaedic Association (UPOA)

It is with a deep sense of humility, pride, and responsibility that I present this Golden Jubilee Coffee Table Book of the **Uttar Pradesh Orthopaedic Association (UPOA)**, commemorating fifty years of an extraordinary journey in orthopaedic education, service, and professional camaraderie.

Since its inception in 1977, UPOA has grown from a small collective of committed orthopaedic surgeons into one of the largest and most influential state chapters of the Indian Orthopaedic Association, representing a vibrant community of over 2,200 members. This volume seeks to chronicle that remarkable evolution—capturing not only dates and milestones, but also the spirit, values, and collective vision that have shaped the Association over five decades.

The compilation of UPOA's history has been both an honour and a challenge. Much of the Association's early journey was built through personal commitment, handwritten records, institutional memory, and oral tradition. In bringing this narrative together, sincere efforts have been made to ensure historical accuracy, continuity, and inclusiveness. I am deeply grateful to our senior stalwarts and esteemed members whose guidance, recollections, archival material, and corrections have enriched this work and made it authentic.

This book is not merely a record of conferences, office bearers, awards, and academic initiatives. It is a tribute to the visionary founders who laid strong foundations, the leaders who strengthened institutions, and the generations of members who carried forward the ethos of learning, ethics, and service.

A dedicated chapter honouring all Past Presidents of UPOA has also been included, in recognition of their leadership, vision, and enduring contribution to the growth and stature of the Association.

From the birth of the Journal of Bone and Joint Diseases to the pioneering of structured subspecialty education, UPOA's journey reflects its unwavering commitment to excellence and innovation.

While every effort has been made to present a comprehensive and accurate account, any inadvertent omissions or errors are entirely unintentional. I sincerely request the understanding of members and welcome future corrections and additions, so that this living history may continue to evolve.

As UPOA celebrates its Golden Jubilee, may this volume serve as a bridge between past and future—honouring those who built the Association, inspiring those who lead it today, and guiding those who will shape its tomorrow.

With respectful gratitude and warm regards,

Dr. Piyush Kumar Misra

Compiler - Golden Jubilee Coffee Table Book

President - Uttar Pradesh Orthopaedic Association (UPOA)

Dr. Santosh Singh

President elect UPOA

*C*elebrates a remarkable journey shaped by visionary leaders and dedicated members. Each era has contributed to building a strong foundation of academic excellence, ethical practice, and unity. This milestone is a tribute to those who led with conviction and left lasting footprints for us to follow. As President-Elect, I am humbled by this legacy and committed to carrying it forward with sincerity and progressive vision honoring the past, strengthening the present, and shaping the future together. May UPOA continue to evolve, inspire, and lead with the same passion for generations to come.

Dr. Amit Jaiswal

*Secretary
Uttar Pradesh Orthopaedic
Association (UPOA)*

It is both a privilege and a responsibility to write this foreword in my capacity as Secretary of the Uttar Pradesh Orthopaedic Association (UPOA). UPOA has long been a beacon of academic excellence, ethical practice, and professional unity, nurtured by visionary leaders who placed service above position. This book eloquently chronicles that leadership journey—its ideals, challenges, and achievements—across generations. It reflects how collaborative, ethical, and inclusive leadership has strengthened academics, inspired young orthopaedicians, and fostered statewide cohesion. I am confident this volume will guide and inspire future leaders to serve with humility, vision, and commitment to advancing orthopaedic care.

UTTAR PRADESH ORTHOPAEDIC ASSOCIATION

CELEBRATING

50
YEAR'S OF
Excellence

The Uttar Pradesh Orthopaedic Association (UPOA) proudly celebrates five decades of distinguished service to orthopaedic education, clinical excellence, and professional fellowship. From its inception in 1977 to its present stature as one of the three largest state chapters of the Indian Orthopaedic Association (IOA), UPOA has grown into a vibrant and influential academic body representing more than 2,200 orthopaedic surgeons across Uttar Pradesh.

This Golden Jubilee volume stands as a tribute to the vision of its founders, the wisdom of its senior stalwarts, and the dedication of successive generations of leadership who collectively shaped UPOA into a nationally respected organisation.

THE FOUNDATION YEAR 1977

The seeds of UPOA were sown in 1977 at Lucknow with the formal establishment of the Uttar Pradesh Chapter of the Indian Orthopaedic Association. The inaugural conference, held at **King George's Medical College, Lucknow**, on **28 February and 1 March 1977**, marked a historic milestone in the development of orthopaedics in the state.

Under the blessings and mentorship of **Prof. B. N. Sinha**, forty committed orthopaedic surgeons came together as Founder Members. Prof. Sinha nominated **Prof. A. K. Gupta (Kanpur)** as the first President, **Dr A. N. Srivastava (Lucknow)** as Secretary, and **Dr K. P. Srivastava (Agra)** as Treasurer. This leadership laid a robust organisational foundation rooted in academic integrity, inclusivity, and professional camaraderie.

LANDMARKS IN THE EVOLUTION OF UPOA

1978-II Annual Conference Allahabad

- Marked by visit of AO President **Hans Robert Willenegger** for the first time in UPOA Programme (13th August 1978)

1979 – III Annual Conference, Agra

On the visionary suggestions of **Prof. K. P. Srivastava**, several foundational initiatives were approved for phased implementation:

- Travelling Fellowship Programme, enabling two selected surgeons to visit Madras, Bombay, and Calcutta annually, coinciding with the visit of Johnson & Johnson Fellows of the Indian Orthopaedic Association.
- Exchange Fellowship Programme, facilitating the exchange of two final-year postgraduate students with Madhya Pradesh or West Bengal.
- Visiting Fellowship Programme, deputing senior teachers to deliver academic lectures in cities of their choice.
- Institution of the **Prof. A. K. Gupta** Best Paper Award, in

honour of the Founder President, for the best scientific paper presented at the Annual Conference.

- Institution of the prestigious **Prof. B. N. Sinha** Oration, to be delivered by an eminent orthopaedic surgeon from within or outside the state.

1980 – IV Annual Conference, Varanasi

On the proposal of **Prof. M. K. Goel**, it was resolved that UPOA conferences would also be held at non-teaching centres. Accordingly, the 1981 conference was awarded to Bareilly, with Late **Dr. V. P. Adya** as Organising Secretary.

1982 – VI Annual Conference, Gorakhpur

Key decisions included:

- Commencement of the **Dr. B. N. Sinha** Oration from the subsequent conference, to be delivered by a Past President of the UP Chapter.
- Allocation of travelling fellowships such that one fellow would be from a teaching institution and the other from a non-teaching institution.

1983 – VII Annual Conference, Aligarh

- Introduction of the President's Silver Medal for the best scientific paper.

1984 – VIII Annual Conference, Meerut

- Institution of the **Dr. K. P. Srivastava** Trophy for the Best Orthopaedic Club, to be awarded annually.

1985 – IX Annual Conference, Jhansi

- Release of the first issue of the Journal of Bone and Joint Diseases (JBJD), with **Dr. U. K. Jain** as its founding Editor.
- Publication of the first Directory of Members of the UP Chapter.

1989 – XIII Annual Conference, Saharanpur

Major academic and organisational milestones included:

- Institution of the Sri Bhagwan Prasad Gold Medal, established by **Dr. K. P. Srivastava** in memory of his father, for the best paper published in JBJD.

- Introduction of the **Dr. K. P. Srivastava** Trophy for the Best Teaching Orthopaedic Club.
- Introduction of the **Dr. M. K. Goel** Trophy for the Best Non-Teaching Orthopaedic Club.
- Decision to hold UPOA conferences alternately at teaching and non-teaching centres.

1992 – XVI Annual Conference, Bareilly

- Inclusion of Poster and Quiz Competitions in UPOA academic activities.
- Publication of an updated Member Directory, distributed to all members.
- Introduction of the Mid-Term Symposium, along with the Executive Committee Meeting, into the annual calendar of the UP Chapter.

1998- XXIV Annual Conference, Dehradun

- Election by raise of hands held in GBM for the first time.

1999 – XXIII Annual Conference, Aligarh

- An Extraordinary General Body Meeting was convened to deliberate and approve essential constitutional amendments, based on the recommendations of a committee chaired by **Prof. U. S. Misra**.

2000 – XXIV Annual Conference, Allahabad

- Approval to conduct symposia and workshops in smaller towns under the aegis of UPOA, enabling consolidation of life membership funds into Fixed Deposits.
- Printing and distribution of new membership certificates (facilitated by **Dr. A. N. Varma**).
- Registration of the UP Chapter with the Registrar of Societies (facilitated by **Dr. Ajit Saigal**).
- Publication of a new address directory (facilitated by **Dr. S. C. Goel**).

2001 – Silver Jubilee Year

- The Silver Jubilee Conference was organised at Lucknow by **Dr. Vineet Sharma**.
- Introduction of two major academic events:

- Varanasi Oration
- Dr. Anil Gupta Memorial Lecture
- On the proposal of **Dr. M. K. A. Sherwani**, PG Instructional Course Lectures were initiated; the first course was held at Aligarh in March 2001.

2003 – XXVII Annual Conference, Agra

- Introduction of new oration:
- **Dr. K. P. Srivastava** (Agra) Oration

2004 – XXVIII Annual Conference, Kanpur

- Introduction of new oration: Ghaziabad Oration
- Renaming of the Varanasi Oration to the **Dr. T. P. Srivastava** Oration, in homage to the distinguished leader.
- Publication of a feedback analysis of UPOA activities, conducted by Dr. Rajeev Agrawal, in JBJD Volume XX.

2007 – XXXI Annual Conference, Muzaffarnagar

- Adoption of significant constitutional amendments, including renaming the chapter as the Uttar Pradesh Orthopaedic Association.
- Institution of the Bhagwati Devi Dhanendra Prasad Memorial Award by **Dr. Ashok Gupta**, for the best orthopaedic club with fewer than 15 members.
- Allotment of PAN Number to UPOA facilitated by **Dr. Ajit Saigal**.
- In 2007, the GBM approved several norms to be adhered to by the Election Officer to ensure a transparent electoral process, based on the suggestions of **Dr Naresh Chand** and **Dr Ashok Vij**

2008 – XXXII Annual Conference, Aligarh

- UPOA page was hosted on the indiaorth.org website started by **Dr Mangal Parihar** as a pilot project of IOA

2010 – XXXIV annual Conference, Allahabad

- Publication of the most comprehensive UPOA Directory, spearheaded by **Dr. Rajeev Agarwal** and **Dr. Dharendra Singh**. UPOA website (upoa.com) was first registered in 2010 and the website launched in 2011.

2012: XXXVI annual Conference, Kanpur

- Introduction of the Abbas Ali Khan Memorial Lecture

2013: XXXVII annual Conference, Aligarh

- Publication of the Blue Book and Constitution in booklet form by **Dr. Jamal Ashraf**

2015: XXXIX Annual Conference, MORADABAD

- President's Medal Session has been renamed as **Dr. U. S. Mishra** Medal

2016: XL Annual Conference, Meerut

- PG Gold Medal session has been renamed as Dr Bhaskar Mall PG Gold Medal Session
- Poster session has been renamed as **Dr. A. K. Varshneya** Poster Session

2020: XLIV Annual Conference, Lucknow

- Constitutional Amendment was undertaken by UPOA, ushering in significant reforms in its electoral process. As part of these reforms, the traditional ballot system was replaced with online voting, enhancing transparency, accessibility, and participation. The first-ever online voting in the history of UPOA was successfully implemented during the 2023 elections

EXPANDING HORIZONS AND THE BIRTH OF JBJD (1980–1992)

The IV Annual Conference (1980) at Varanasi, UPOA adopted the progressive policy of hosting conferences at non-teaching centres, significantly broadening participation and strengthening its grassroots presence across the state.

During this period, several honours were instituted, including the President's Silver Medal and the **Dr. K. P. Srivastava** Trophy, promoting healthy academic competition and vibrant orthopaedic club activity.

A landmark academic achievement was realised when **Dr. U. K. Jain** conceptualised the idea of an official journal in 1984 at the Meerut Conference. This vision materialised at the IX Annual Conference (1985) at Jhansi with the launch of the Journal of Bone and Joint Diseases (JBJD). JBJD became the official academic organ of UPOA, offering a dedicated platform for research publication, clinical discourse, and academic exchange. The first official membership directory was also published during this period. **JBJD achieved indexing in year 2016**

JOURNAL OF BONE AND JOINT DISEASES (JBJD) EDITORS THROUGH THE YEARS

The academic continuity and stature of JBJD have been sustained by a distinguished succession of editors:

- **Dr. U. K. Jain** (1984–1989)
- **Dr. O. P. Singh** (1989–1992)
- **Dr. A. N. Varma** (1992–1995)
- **Dr. S. C. Goel** (1995–1998)
- **Dr. Rajendra Nath** (1998–2001)
- **Dr. Kapil Kulshrestha** (2001–2004)
- **Dr. Vineet Sharma** (2004–2007)
- **Dr. K. D. Tripathi** (2007–2010)
- **Dr. Amit Rastogi** (2010–2013)
- **Dr. Mazhar Abbas** (2013–2016)
- **Dr. Sanjay Dhawan** (2016–2019)
- **Dr. Nazmul Huda** (2019–2022)
- **Dr. C. P. Pal** (2022–2025)
- **Dr. Deepak Kumar** (2025– till date)

ANNUAL CONFERENCE OF UPOA: A living chronicle (1977–2026)

The Annual Conference remains the most consistent and defining academic activity of UPOA. Over five decades and more than 50 uninterrupted conferences, these meetings have documented the Association's growth in scholarship, leadership, and organisational strength.

Hosted across both teaching and non-teaching centres—Lucknow, Agra, Varanasi, Kanpur, Prayagraj, Gorakhpur, Aligarh, Saharanpur, Jhansi, Meerut, Ghaziabad, Moradabad, Muzaffarnagar, and Dehradun—the Annual Conference has strengthened professional bonds and nurtured generations of orthopaedic leaders.

A detailed tabulated record of all Annual Conferences and office bearers follows this section.

SUBSPECIALTY EDUCATION AND ACADEMIC EXPANSION

The evolution of the Uttar Pradesh Orthopaedic Association from a strong academic body into a pioneer of structured subspecialty education represents one of its most significant achievements during the Golden Jubilee era. Flagship Subspecialty Courses (2014) A defining milestone was reached at UPORTHOCON 2014, held at Jim Corbett, when UPOA formally embarked on structured subspecialty training. Under the leadership of **Dr. Dharendra Singh** (President) and **Dr. Atul Srivastava** (Secretary), two flagship academic initiatives—the **UPOA Trauma Course** and the **UPOA Arthroplasty Course**—were launched.

These courses marked a paradigm shift in orthopaedic education within the state, moving decisively beyond traditional conference-based learning to focused, structured, and practice-oriented subspecialty training. The Trauma Course addressed real-world challenges in fracture management and polytrauma care through evidence-based protocols, while the Arthroplasty Course offered systematic training in joint replacement surgery,

NATIONAL FOOTPRINT AND LEADERSHIP

The academic continuity and stature of JBJD have been sustained by a distinguished succession of editors: UPOA has had the privilege of organising several editions of IOACON, reflecting its academic strength and organisational excellence.

IOACON hosted in Uttar Pradesh

- 1978 – Prayagraj
- 1982 – Varanasi
- 1984 – Kanpur
- 1992 – Lucknow
- 2004 – Agra
- 2011 – Ghaziabad / Noida
- 2013 – Agra
- 2023 – Lucknow

UPOA also takes pride in its members having held the highest constitutional offices of IOA.

Convener Dr. U.K.Jain and
Co Convener Dr. S. C. Goel
and Dr. A.N. Varma

APPRECIATION AND ENDURING CONTRIBUTIONS

The Uttar Pradesh Orthopaedic Association places on record its deep sense of gratitude and appreciation to **Dr. Jamal Ashraf**, Organising Secretary; **Dr. Sanjeev Awasthy** and **Dr. Shubh Mehrotra**, Organising Chairmen; **Dr. Santosh Singh**, Treasurer; and **Dr. Anoop Agarwal**, Scientific Secretary, IOACON 2023, for their visionary leadership and selfless commitment to the profession. Through prudent financial stewardship and the judicious utilisation of savings from IOACON 2023, this team made two landmark contributions that will permanently strengthen UPOA. First, by enabling the acquisition of a permanent office for UPOA, they provided the Association with a lasting institutional home—an enduring symbol of stability, continuity, and organisational maturity. Second, by initiating four International Fellowships for UPOA members, they opened new avenues for academic enrichment, global exposure, and professional excellence, particularly benefiting younger orthopaedic surgeons and future leaders of the Association. These initiatives reflect foresight, integrity, and an unwavering dedication to strengthening UPOA's academic and organisational foundations. The Association remains profoundly thankful for this exemplary contribution, which will continue to benefit UPOA and its members for decades to come.

INTERNATIONAL RECOGNITION AND ACCREDITATION

The Uttar Pradesh Orthopaedic Association takes immense pride in achieving international visibility and accreditation, a milestone made possible through the dedicated efforts and global leadership of its distinguished members. **Dr. Jamal Ashraf**, through his exemplary roles as President of APTS (2013-2015), Secretary General of APOA (2016-2021), and President of APOA (2024-25), played a pivotal role in strengthening UPOA's international standing and fostering meaningful collaborations across the Asia-Pacific region. The Association also places on record its deep appreciation for **Dr. Anup Agrawal**, President of APTS (2023-2025), whose dynamic leadership and sustained commitment further reinforced academic excellence and international integration. Their collective vision, perseverance, and diplomacy have been instrumental in securing international accreditation for UPOA, marking a proud chapter in its journey and elevating its stature on the global orthopaedic forum. It's also an Honour for UPOA as **Dr. A. N. Varma** has served Asia Pacific Society for Foot and ankle Surgeon as President. **Dr. S.C. Goel** has served as President of OASAC (Orthopaedic Association of SAARC countries 2013-2014)

GOLDEN JUBILEE REFLECTION

As UPOA commemorates 50
years of excellence, it stands
firmly anchored in tradition
while confidently embracing
progress and innovation. From
the birth of JBJD to national
leadership, from grassroots
expansion to modern subspe-
cialty education, the journey
of UPOA reflects collective
vision, perseverance, and
service to society—a legacy
poised to inspire generations
of orthopaedic surgeons to
come.

CELEBRATING

“

Yesterday I was clever,
so I wanted to change the world.
Today I am wise, so I am
changing myself.

- Rumi

”

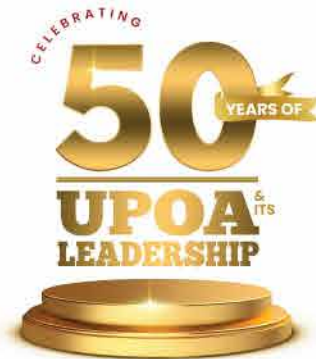

Dr. A. K GUPTA

Date of Birth 17-12-1917

Graduation 1941 - PMCH

Post Graduation 1944 - PMCH

RESIDENTIAL
YEAR 1977-79

Dr. Arun Kumar Gupta (1917–2007) was a pioneering Indian orthopaedic surgeon, teacher, and leader. Educated at Patna Medical College and later trained in the UK, he earned MCh (Ortho) and FRCS degrees. After serving in the Army, he returned to India to teach and practice at Delhi, Agra, and GSVM Medical College, Kanpur, where he established the Orthopaedics Department and MS Ortho course. He trained numerous surgeons and made major clinical contributions. An IOA Secretary, Vice President, and President, he received lifetime honors and is remembered for compassion, scholarship, and lasting legacy.

Golden Footprints

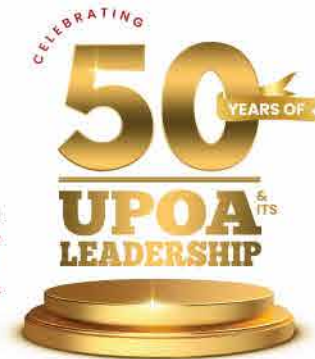

Dr. S. M. TULI

Date of Birth 28-12-1932

Graduation 1955 - GMC AMRITSAR

Post Graduation 1958 - GMC AMRITSAR

RESIDENTIAL
YEAR 1979-80

Dr. S. M. Tuli is a legendary Indian orthopaedic surgeon, widely regarded as the Father of Bone and Joint Tuberculosis in India. Even in his nineties—reported to be around 94 years of age in 2025—he remains active, intellectually engaged, and an inspiration to younger generations of doctors. With over six decades of clinical, academic, and teaching experience since graduating in the 1950s, he has made pioneering contributions to the management of bone and joint tuberculosis and to the development of bone banking in India. Revered as a living legend, Dr. Tuli's lifelong dedication continues to shape Indian orthopaedics.

Golden Footprints

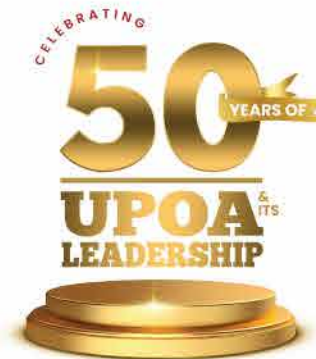

Dr. M. K. Goel

Date of Birth 26-06-1924

Graduation 1948 - KGMC

Post Graduation 1954 - KGMC

RESIDENTIAL
YEAR **1980-81**

Dr. M. K. Goel, was a distinguished alumnus of King George Medical College, Lucknow, from where he completed his MBBS in 1948. He pursued higher surgical training at the same institution, obtaining his MS in General Surgery in 1952 and MS in Orthopaedic Surgery in 1954. Renowned for his academic rigor, clinical excellence, and dedication to teaching, **Dr. Goel** served as Professor and Head of the Department of Orthopaedic Surgery at K.G. Medical College from 1970 to 1984. During his tenure, he played a pivotal role in strengthening orthopaedic education and mentoring generations of surgeons.

Golden Footprints

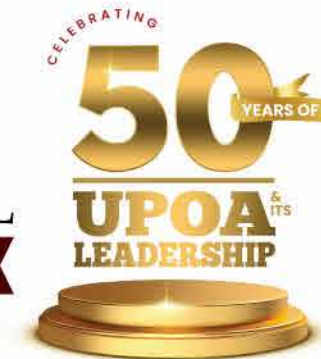

Dr. A. N. Srivastava

Date of Birth 15-07-1926

Graduation 1950 - KGMC

Post Graduation 1954 - KGMC

RESIDENTIAL
YEAR **1981-82**

The early history of the Uttar Pradesh Orthopaedic Association is enriched by the seminal contributions of **Dr. A. N. Srivastava** of Lucknow, whose vision and leadership were instrumental during the formative years of the organization. As one of the founding office-bearers, he served as Secretary at a time when the association was taking its first structured shape, laying down organizational frameworks and academic traditions. His subsequent elevation to the office of President of UPOA reflected the confidence and respect he commanded among peers. **Dr. Srivastava's** dedication, administrative acumen, and commitment to professional unity played a defining role in shaping UPOA into a strong and enduring academic body.

Golden Footprints

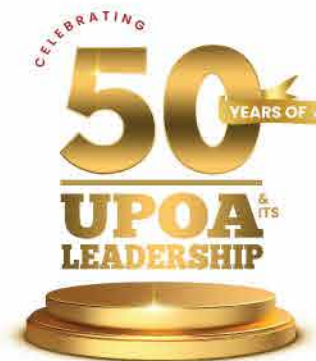

Dr. Satyanand

Date of Birth 15-03-1931

Graduation 1954 - KGMC

Post Graduation 1958 - KGMC

RESIDENTIAL
YEAR 1982-83

Dr. Satyanand was a towering figure in the evolution of orthopaedic surgery in Kanpur and a name held in deep respect across the national orthopaedic fraternity. As an Emeritus Professor of Orthopaedics at GSVM Medical College, Kanpur, he played a seminal role in nurturing academic excellence and clinical discipline. Building upon the foundations laid by Prof. A.K. Gupta in the 1960s, **Dr. Satyanand** emerged as a true pioneer who firmly established orthopaedics as a distinct and dynamic specialty in the region. His leadership extended to the national stage when he served as President of the Indian Orthopaedic Association in 1986 and earlier organized the prestigious IOACON at Kanpur in 1984. Through his teaching, service, and vision, Dr. Satyanand leaves behind a lasting legacy that continues to inspire generations of orthopaedic surgeons
