The Organizing Committee warmly welcomes you to OrthoEdge 2026 Knee Masterclass, to be held on 25th and 26th July in Varanasi at Hotel Surya. It is our privilege to invite you to this focused two-day academic meet dedicated to knee conservation and knee arthroplasty, bringing together top faculty and renowned experts from across the country and the state. This masterclass has been thoughtfully curated to create a platform where experience meets practicality, ensuring that every session delivers meaningful insights relevant to real-world orthopaedic practice.

What sets this meeting apart is its case-based, highly interactive format, designed to go beyond conventional lectures. Each discussion will emphasize practical decision-making, surgical tips, and solutions to day-to-day challenges that we all encounter in the operating room and clinic. From nuanced intra-operative dilemmas to postoperative problem-solving, the sessions aim to be engaging, candid, and clinically applicable. We believe OrthoEdge 2026 will not just be another conference, but a must-attend annual meet that enriches your practice, sharpens your skills, and fosters meaningful academic exchange. We look forward to your enthusiastic participation in Varanasi.

REGISTRATION OPEN

ONLY 50 SEATS FOR WORKSHOP

ABSTRACT SUBMISSION OPEN

Abstract Submission for Orthoedge Fellowship 

Abstract Submission for PG Gold Medal 

LAST DATE: 31/05/2026

Word Limit & Originality

- Maximum 500 words (excluding title & authors)
- Must be original, unpublished, and not previously presented

Title & Author Details

- Clear, concise title
- Include all authors with affiliations
- Mark presenting author

REGISTRATION OPEN 

ONLY 50 SEATS FOR WORKSHOP

Structured Abstract Format (Mandatory)

- Introduction
- Materials & Methods
- Results (key data)
- Discussion
- Conclusion

ORTHOEDGE 2026- KNEE MASTERCLASS- Theme- Getting it right all the time.

Day 1 : 25/07/2026 | Knee Preservation

Knee Preservation- Transforming Lives.

9:00-10:00am	Getting it right every time.
10m	HTO - Relive video with complete surgical case
10m	DFO- Relive video with complete surgical case
10m	Intra articular osteotomy around knee
10m	External fixation for deformity correction around the knee
10m	Deformity correction in open physis around the knee
10m	Discussion
10:00-11:00am	TOMOFOX-Osteotomy- planning & tracing workshop.
11:00am-11:30am	Chai Pe Charcha- Company Sponsored Surgical Video 1
11:30-12:30pm	The Wisdom Vault 1- Pearls from the experts.
15m	Osteotomy-A decision for precision.
15m	The art & science of preserving the knee.
15m	Crafting the future Orthopaedic Surgeon.
15m	Discussion

REGISTRATION OPEN

ONLY 50 SEATS FOR WORKSHOP

12:30-1:00	INAUGURATION
1:00-2:00	Lunch
	Sports Injuries
2:00-3:00pm	Session 1- Relive surgery what's new inside the knee
8m	Perfecting ACL reconstruction
8m	Simplifying PCL reconstruction
8m	Meniscal repair- Simple steps for predictable healing.
8m	Demystifying Root & ramp repair.
8m	Primary ACL repair- is it the future or just a mirage ?
8m	ACLR in paediatric population
12m	Summary and critical take home message by experts.
3:00-3:30pm	Session 2- Keynote lectures- 30 min
15m	Why Double bundle ?
15m	Back to peak for an elite athlete
3:30-4:00pm	Chai Pe Charcha

4:00pm 5:00pm	Session 3- Relive Surgery- Extraarticular reconstructions
Panelists- Dr Anant Joshi, Dr Roshan Wade, Dr Deepak Joshi	
8m	MCL reconstruction- balancing stability & healing
8m	PLC reconstruction- planning to achieve durable stability
8m	Restoring confidence with MPFL reconstruction
8m	TTO an essential skill to master.
8m	LET- Bulletproofing the ACL or an overkill
8m	OATS
12m	Summary and critical take home message by experts.
5:00-6:00pm	Session 4 - Keynote Lectures- 30 min
8m	Arthroscopic assisted fracture fixation around knee
8m	ACL footprint avulsion fixation
8m	PCL footprint avulsion fixation
8m	Predictable Graft options in revision scenario.
8m	Step by step revision ACLR- grafts, tunnels & fixation
8m	Infected ACLR management
12m	Summary and critical take home message by experts.

Day 2: 26/0/2026 ORTHOEDGE| 2026- KNEE MASTERCLASS

8:00-9:00am	PG Gold Medal Session - 8 Presentations
9:00-10:00am	Complex situations in primary knee arthroplasty
8m	Double & Triple Varus knee- Managing Large defects & Postero lateral laxity.
8m	Fixed Valgus knee- managing the Lateral tightness.
8m	Managing extraarticular deformity in knee arthroplasty
8m	TKR in Ankylosed knee- not for the faint hearted.
8m	Managing extensor mechanism injury in TKR- How to play the 'End game'
8m	Looks good feels bad
12m	Discussion.
Knee Arthroplasty	
10:00-11:00am	Beyond a routine PS knee surgery
8m	Cruciate retention in grossly deformed knee
8m	UKR- Mobile bearing- relive video
8m	Medial Pivot knee- relive video
8m	Principles of Kinematic balancing.
8m	Managing Tibial stress fractures in TKR.
8m	Managing intra op fractures during TKR
12m	Discussion.
11:00am-11:30am Chay pe charcha	

11:30-12:30pm	The Wisdom Vault 2- Pearls from the experts.
15m	The U.K.R. story- 20 years of learning and refinement
15m	Cruciate retention- Myth, Mastery or Necessity
15m	Transformation to an arthroplasty surgeon- elevate, enhance, empower
15m	Discussion
12:30-1:30pm	The Wisdom Vault 3- Pearls from the experts.
15m	Infected knee replacement- lessons from the battlefield
15m	Periprosthetic fractures around the knee- rethinking the problem.
15m	Future of arthroplasty belongs not only to smart tech but to wiser surgeons
15m	Discussion
1:30-2:30 PM LUNCH	
2:30-3:30pm	Basics of revision
10m	Why knee fail
10m	Step by step building up knee in revision arthroplasty.
10m	Articulating Knee spacer
10m	Revision implantation- as good as a primary.
10m	One stage revision for infected knee
10m	Discussion

Session 4 | Ortho edge gold medal session

4:30-5:00 PM

3:30-4:30pm

6 presentations

Vote of Thanks & Valedictory.
