UPOA President's Message

Dear Esteemed Seniors, Friends, Colleagues and Members of the UPOA,

It is with great honor and humility that I step into the role of President of the Uttar Pradesh Orthopaedic Association. As we embark on this journey together, our collective vision must be to blend the wisdom of tradition with the advancements of modern technology, ensuring the highest standards of orthopaedic care for our patients.

Orthopaedics has always been a field where experience, skill, and innovation come together. While we cherish the foundational principles and teachings of our mentors, we must also embrace the latest advancements in surgical techniques, digital healthcare, and research. The theme for my tenure — **"Bridging Tradition and Technology for Better Care"** — reflects this philosophy, emphasizing a harmonious integration of knowledge and innovation.

Our Key Focus Areas:

Education & Skill Enhancement – Strengthening academic programs, surgical training, and mentorship to empower young orthopaedic surgeons.

Innovation & Research – Encouraging evidence-based practices and incorporating cutting-edge technologies like robotics, AI, and regenerative medicine.

Collaboration & Growth – Fostering stronger ties within the medical community, industry and policymakers to improve orthopaedic services in Uttar Pradesh.

Patient-Centered Care – Ensuring that every advancement ultimately leads to better patient outcomes, faster recovery, and improved quality of life.

Together, we will honour the legacy of our predecessors while embracing the future of orthopaedics with confidence and commitment. I look forward to working alongside each of you to uplift our association, strengthen our profession, and transform patient care.

Let's step forward together — preserving the best of the past and pioneering the future!

Dr. Piyush Kumar Misra
President, Uttar Pradesh Orthopaedic Association (UPOA)

UPOA Secretary's Message

Dear Friends,

As the Secretary of the Uttar Pradesh Orthopaedic Association (UPOA), I am committed to promoting bone and joint health for all.

Orthopaedic issues, such as arthritis, fractures, and spinal problems, can significantly impact daily life, but with the right care and awareness, we can prevent and manage them effectively.

Our association is dedicated to spreading awareness about bone health, encouraging early diagnosis, and providing the best treatment options. I urge you to prioritize a healthy lifestyle, regular exercise, and timely medical consultation to keep your bones and joints strong.

Together, let's build a healthier future with better mobility and a pain-free life. Stay active, stay healthy!

Dr. Amit Jaiswal

Secretary, Uttar Pradesh Orthopaedic Association (UPOA)

MINUTES OF EXECUTIVE COMMITTEE MEETING

MID Term Symposium, 07th September 2025

AMA Convention Centre, Prayagraj

The meeting of the Executive Committee of UPOA was held in the Dhanvantari Hall – AMA Convention Centre on 07th September 2025.

The following were on the chair-

President	-	Dr. Piyush Kumar Misra
President Elect	-	Dr. Santosh Singh
Secretary	-	Dr. Amit Jaiswal
Treasurer	-	Dr. Amrit Goyal
Vice President	-	Dr. Vinod Pagrani
Vice President	-	Dr. Ravi Garg

1. Obituaries – Secretary Dr. Amit Jaiswal informed about the sad demise of -

- ☐ Dr. Mrinal Sharma, Noida
- ☐ Dr. Nagendra Gaur, Mathura
- ☐ Dr. A. A. Iraqi, Aligarh
- ☐ Dr. K. K. Pruthi, Agra
- ☐ Dr. Y. Mohindra, Guna
- ☐ Dr. P. K. Dabral, Dehradun

One more obituary was suggested by the EC Members named Dr. Santosh Rajpal.

1 minute silence was observed in the remembrance of departed soul.

2. Presidential Address was given by UPOA President Dr. Piyush Kumar Misra.

3. Bone & Joint Day report – Dr. Amit Jaiswal presented the Bone & Joint Day report before the house. He informed that Bone & Joint Day is observed annually, and during the current year, the programme witnessed active participation from multiple city clubs. The cities that organized and participated in the activities were Agra, Aligarh, Bareilly, Ghaziabad, Gorakhpur, Jhansi, Kanpur, Lucknow, Mathura, Meerut, Raebareli, Saharanpur, Saifai, and Varanasi. The house appreciated the efforts of all participating city units.

4. Treasurer Report- Dr. Amrit Goyal presented the Treasurer Report which was passed with voice vote. The Treasurer Report is attached here with Enclosure-I.

A query was raised regarding the appointment of an accountant having monthly salary of ₹4,000 by Dr Amrit Goyal. Dr. Anup Agarwal informed that UPOA now has a permanent registered office in Lucknow, and all accounting work should be maintained in the UPOA Office computer using official Tally software. He emphasized appointing a designated CA, whose accountant should visit the UPOA Office once a month to update Tally entries, ensuring centralized and transparent financial data.

He clarified that Tally maintenance is usually included in the CA's professional charges and that the official Tally license should remain permanently with the UPOA Office.

Dr. Amrit Goyal requested that a new CA should be appointed from Agra for easier coordination. In response, Dr. Piyush Kumar Misra stated that the CA should be based at Lucknow and we should not change the CA every three years as the Treasurer changes every three years.

5. Editor Report was supposed to be presented by Dr. Deepak Kumar but he could not attend the EC meeting. In his absence, UPOA Executive Member Dr. Rajat Kapoor presented the Editor Report which was passed with the voice vote. The Editor's Report is enclosed here with Enclosure-II.

Dr. Sanjay Dhawan informed the Committee that despite continuous follow-up, indexing with Wolters Kluwer had not progressed satisfactorily. He suggested that we should explore other platforms also.

Dr. C. P. Pal stated that he had been in constant discussion with Dr Deepak and had followed up with Wolters Kluwer for nearly one year. Although Wolters Kluwer maintained the required database for NMC indexing compliance but their slow response and processing were hampering the progress. He suggested to monitor the situation for another six months and if they failed to improve, a change might be considered.

Dr. Anup Agrawal expressed serious concern over the prolonged delay and pointed out that UPOA had been pursuing indexing for nearly five years. He reminded members that Wolters Kluwer had assured indexing within two years, which was the primary reason for associating with them. He suggested that pending issues should be clearly addressed and, if required, payments might be withheld until satisfactory progress would be achieved.

Dr. Anup Agrawal agreed to wait for another six months but emphasized that before shifting to any new publisher, it must be ensured that the alternative should be more effective, active, and reliable than the Wolters Kluwer.

Dr. Sanjay Dhawan reiterated that despite assurances and sustained efforts from UPOA, no concrete outcome had been achieved, and similar issues have been reported elsewhere, making it necessary to explore better alternatives.

After detailed discussion, the matter was deferred to the next Executive Committee meeting for further review and final decision.

6. Fellowship Report – Dr. Amit Jaiswal informed the house that total 26 applications were received for fellowships and the following names were selected by the Fellowship Committee.

Dr. Anup Agrawal congratulated the UPOA Office Bearers for successful completion of selection process of National & International Fellowships and appreciated the significant administrative effort involved. He requested re-verification of all fellowship awardees for UPOA membership and proposed making IOA membership mandatory, clarifying that non-members should be asked to apply rather than stopping the fellowship.

Dr. Sanjay Dhawan supported this and emphasized that candidates must apply for IOA membership and report status to the Fellowship Committee. He also suggested that allotment letters of fellowships should only be given once they had submitted the IOA membership certificate or proof of application within 15 days, failing which fellowship continuation would not be permitted.

Dr. Anup Agrawal requested review of fellowship allotments of the last three years for fairness, including cross-verification of specific cases purely for record confirmation.

Dr. Santosh Singh informed that the application form already included an IOA membership column, and it must be strictly checked before processing.

Dr. Ashok Vij stressed that fellowship completion certificates and grants should be issued only after full attendance, submission of report and physical presence in the MTS, and these conditions must be clearly stated at allotment stage. He also suggested better transparency through the UPOA website.

Dr. Santosh Singh clarified that a marking system already existed in the website and in UPOA Times.

Dr. Anup Agrawal agreed on transparency but suggested that detailed evaluation be placed before EC/GBM, not fully in public domain. This was supported by Dr. Sanjay Dhawan.

Dr. Amit Jaiswal suggested that fellowship evaluation be done by an independent committee (two senior and one junior member), not by EC members or office bearers.

Dr. Santosh Singh highlighted the decline in fellowship applications, especially for conference-linked fellowships with limited academic exposure.

Dr. Sanjay Dhawan and Dr. Ashish Kumar suggested to modify such fellowships to include institutional/OT exposure or extending duration through centre visits.

Issues of non-compliance in fellowship duration were discussed. Dr. Ashok Vij and Dr. S.C. Goel strongly opposed partial attendance and emphasized strict adherence to sanctioned duration, with withdrawal if conditions were violated.

Dr. Anup Agrawal suggested flexibility by offering a broader time window instead of fixed months to balance feasibility and compliance.

It was agreed that fellowships must be completed within the same year, preferably before IOA Annual Conference, with limited extension only where applicable.

Dr. Amit Jaiswal raised concern over poor attendance at UPOA Mid Term Symposium (MTS) by fellows. Dr. Ashok Vij stated that non-attendance should lead to denial of certificate and grant.

Final Consensus (Summarized by Dr. Anup Agrawal):
Fellowship allotment letters must clearly mention all terms and conditions, including IOA membership, attendance, MTS participation, reports, and timelines. Fellows must submit signed acceptance within 10 days, failing which the fellowship will be automatically cancelled.

Conclusion: The House agreed to enforce stricter compliance, improve internal transparency, and enhance the academic value and credibility of UPOA fellowships.

7. Preliminary Reports of City Clubs – Dr Amit Jaiswal informed that in-

9. Orators for UPORTHOCON 2026: The following orators were finalized for UPORTHOCON 2026:

DR. B.N. SINHA ORATION	Dr. K.D. Tripathi	Prayagraj
DR. T.P. SRIVASTAVA ORATION	Dr. Abhay Elhence	Jodhpur
DR. K.P. SRIVASTAVA ORATION	Dr. Anup Agrawal	Lucknow
GHAZIABAD ORATION	Dr. Ravi Mittal	Delhi
DR. ABBAS ALI KHAN MEMORIAL ORATION	Dr. Atul Srivastava	Agra
DR. ANIL GUPTA MEMORIAL ORATION	Dr. Aamir Bin Sabir	Aligarh

10. Report of 49th UPORTHOCON 2025- As the Organising Secretary, Dr. Rizwan Khan, was not present, the UPORTHOCON 2025 Report was presented by Dr. Amit Jaiswal before the House. The report was approved unanimously by voice vote. The UPORTHOCON 2025 Report is enclosed as Enclosure–III.

11. **Report of UPOA Special Course 2025** – Dr. Sunil Kumar presented the UPOA Special Course Report which was passed with voice vote. The UPOA Special Course Report is enclosed as Enclosure-IV.

Dr. Amit Jaiswal informed that for the last six months, several requests were received to conduct workshops along with official UPOA programs and under the aegis. He clarified that as per existing rules, all official UPOA courses (Trauma, Arthroplasty, Special Courses) are one-day programs only, and therefore requests for two-day programs were not approved.

Dr. Piyush Kumar Mishra stated that as per the Blue Book, official Courses are permitted only as one-day programs, and this rule should be strictly followed.

Dr. Sanjay Dhawan clarified that any program conducted under the aegis must be officially requested through the concerned club with prior approval of the President and Secretary, along with the prescribed fee, to ensure transparency and avoid individual requests.

Dr. Ashok Vij expressed concern that multiple similar programs conducted within short intervals and nearby locations adversely affect attendance at UPOA events. He suggested that such overlapping programs should be avoided as far as possible.

Dr. Anup Agrawal explained that increasing the number of programs under the aegis was originally aimed at improving IOA evaluation and trophy scoring. However, he emphasized that the focus should now be on quality programs, with better content, advance planning, case-based discussions, and active involvement of moderators through prior preparation.

Dr. Piyush Kumar Mishra further highlighted that scientific programs and brochures are often circulated very late, which affects attendance. He strongly recommended fixing a mandatory timeline for finalization and circulation of scientific programs well in advance.

12. **Report of UPOA PGICL Course 2025** Dr. Sanjay Yadav presented the UPOA PGICL Course Report which was passed with voice vote. The UPOA PGICL Report is Enclosure-V.

13. **Report of UPOA Arthroplasty Course 2025** – The UPOA Arthroplasty Course Report is enclosed here with Enclosure-VI.

14. **Preparation of UPOA Trauma Course 2025** Dr. Ravi Garg presented the UPOA Trauma Course Preparation Report which was passed with voice vote. The UPOA Trauma Course Report is enclosed here with Enclosure-VII.

15. **Preparation of 50th UPORTHOCN 2026** Dr. Amrit Goyal presented the UPORTHOCN 2026 Preparation Report which was enclosed here with Enclosure-VIII.

Dr. Sanjay Dhawan requested the EC to permit one additional hall on Day 2 only for the Free Paper Session. He explained that without an extra hall, it would be difficult to accommodate papers, as only 30–40 papers could be adjusted otherwise, and the scientific program also needed adequate spacing. He clarified that this request was not for all three days, but for one day only, considering the large participation from multiple medical colleges in UPORTHOCN and the presence of many PGs, for whom paper presentation was a mandatory academic requirement.

Dr. Ashok Vij supported the proposal, stating that PGs were required to attend conferences and present papers as a part of their training, which helped them in shaping into better orthopaedic surgeons.

The proposal was approved by the house.

16. **Preparation Report of 12th UPOA Special Course 2026-** Dr. Sanjay Yadav presented the UPOA Special Course 2026 Preparation Report which was passed with voice note. The UPOA Special Course 2026 Preparation Report is attached here with Enclosure-IX.
17. **Preparation Report of UPOA PGICL 2026-** supposed to be presented by Dr. Atil Kumar Lal but he could not attend the EC meeting, UPOA Secretary Dr. Amit Jaiswal presented the Preparation of UPOA PGICL 2026 Report which was passed with the voice vote. The UPOA PGICL 2026 Report is attached here with Enclosure-X.
18. **Report of UPOA Election 2025** Dr. Santosh Singh present the UPOA Election report which was passed with voice note. The UPOA Election Report is attached here with Enclosure-XI.

Dear Sir,

As you know, this year's UPOA Conference is our Golden Jubilee UPORTOCON, a very special milestone for our association. To mark the occasion in a befitting manner, I propose that we extend invitations to the Presidents and Secretaries of all four state associations that are part of the Central Zone, along with the President and Secretary of the Central Zone Orthopaedic Association.

Their presence will add prestige to the event and strengthen the bonds of academic collaboration and fraternity across the zone.

I humbly request you to kindly consider my request in your next executive meeting and appraise me with the decision of esteemed executive

Warm regards,

with regards

Dr. Jamal Ashraf

To: President UPOA
Secretary UPOA
Members of the Executive Committee,

Dear Dr Piyush Mishra and Dr Amit Jaiswal,

Fwd: Official complaint against Dr Sanjay Chaturvedi for his egregious attempts to tarnish the reputation of the UPOA and question the integrity and honesty of the organisers of IOACON 2023 with obvious malafide intent. [View](#)

Before I go into the specifics of the complaints which have necessitated this email, for the benefit of the uninited members of the UPOA Executive committee, I wish to point out the following facts:

1. The bid for IOACON 2023 was made by UPOA; the official signatories being Dr Apoorva Agrawal (President) and Dr Anup Agrawal (Secretary). [End 1](#)
2. The UPOA was the designated host of the conference and the PAN card of the UPOA was used for all financial instruments. [End 2](#). As such UPOA is privy to all financial transactions.
3. As per the provisions of the IOA Blue book, the complete accounts along with all receipts were presented to the auditors appointed by the IOA administrator. It is also worth mentioning that during the entire duration (from the time the accounts were opened till the final audit was done) the online login credentials of both IOACON accounts were made available to the IOA administrator who kept a watch on the proceedings.
4. On Feb 8, 2025, the Auditors sent a preliminary report to the IOA administrator. [End 3](#). But due to the lack of integrity engulfing the IOA Secretariat, instead of sending this report to the IOACON 2023 team, it was leaked on social media providing fodder to scrupulous elements like Dr Chaturvedi, who hid behind the façade of honesty and integrity. He then started posting the said report on social media and mass emailing it to the IOA membership accusing IOACON 2023 of "fraud and cheating".
5. Subsequently, after officially receiving the Audit report from IOA, I sent detailed clarifications to the IOA Administrator and the Central Organising Committee (comprising of Dr. Rajesh Mahotra, Dr. Anil Jain and Dr. Shantaram Shetty) on March 6, 2025. I specifically did not send it to the IOA Secretariat and office bearers for I knew it would be leaked and circulated on social media. [End 4](#)
6. Thereafter I explained to Auditors that I had not attached the details of the room occupancies in the audit report in order to prevent the privacy of the >800 surgeons who had, in some form or the other, availed of different industry sponsorships. They were satisfied with all documentation and those submitted the final report to the IOA Administrator.

Now coming to the insinuations, innuendos, lies and false accusations being spread by Dr Sanjay Chaturvedi.

He has written numerous emails, in an attempt to tarnish IOACON Lucknow team's reputation and bring disrepute to our integrity and honesty. I am just attaching three of these emails ([End 5](#), [End 6](#), and [End 7](#)).

[Quoting from his latest email dated August 30, 2025](#)

SPECIFIC DEMAND: Immediate action on IOACON 2023 financial irregularities:

1. Recover **₹4.20 crore unaccounted hotel/travel/conveyance expenses** from the responsible parties
2. Provide complete documentation for all claimed expenses above ₹1 lakh.
3. Third-party forensic audit of IOACON 2023 by an independent CA firm
4. Include the excluded **₹5.56 lakh interest income** in total collections for 10% IOA share calculation
5. **Disciplinary action against organising committee for Blue Book violations**

JUSTIFICATION: The February 8, 2025, audit report clearly documents these irregularities that violate Blue Book financial protocols.

It must be noted that after conducting a hugely successful and widely appreciated conference, the Organising Team of IOACON 2023 contributed a sum of Rs 1,70,00,000 (One crore seventy lakh) to the host chapter, the UP Orthopaedic Association.

But what did we get in return? Accusations and barrage of lies. But what is most objectionable is that the very individual who is responsible for running a campaign against us is being rewarded by being designated the Co-organising Chairman of the 50th Congress of the UP Orthopaedic Association.

It is our sincere hope that the learned members of the UPOA's Executive committee and organizers of UPORTHOCON 2026, would look at this with the importance it deserves. Dr Chaturvedi's propaganda is also aimed at tarnishing the UPOA's image. We believe such an individual should not be involved in the organization of a conference that symbolizes the glorious 50 years of the association.

However, in the unfortunate event that the UPOA and the UPORTHOCON 2026 organizers fail to rectify this egregious miscarriage of propriety and remove Dr Chaturvedi from occupying an official position within UPORTHOCON 2026, I will, with a heavy heart, be compelled to request (a) members of the Organizing committee of IOACON 2023, (b) members of the Lucknow Orthopaedic Society (c) my friends within the UP orthopaedic fraternity to boycott UPORTHOCON 2026.

Finally, I hope that this letter, with all its contents, will be placed before the Executive Committee tomorrow so that a wise and amicable solution can be arrived at.

Thank you.

The letter from Dr Maneeshi Bansal was read by Dr Amit Jaiswal. Dr Sanjay Dhawan told that Presidents and secretaries of central zone states are already been invited in the next UPORTOCON.

The letter from Dr Jamal Ashraf was read by Dr Amit Jaiswal. In this matter Dr S C Goel told that all the accounts of IOACON 2023 was supervised by Justice Middha and have been already audited by his accountant (Delhi High Court Accountant), so there should not be any confusion on this matter. Dr Anup Agrawal said that few members of UPOA are maligning the association for past 3 years continuously on social media. He said that we should not tolerate these things. He strongly condemned these acts of Dr Sanjay Chaturvedi on different platforms. EC requested Dr Ashok Vij and Dr Sanjay Dhawan to talk to Dr Sanjay Chaturvedi to avoid such activities further.

REJECTION REASON FROM DOAJ

Dear Dr. Kumar,

Thank you for your email.

The copyright policy is already updated on the IFA page of the journal website (<https://journals.lww.com/jbjd/Pages/Informationforauthors.aspx>)

We would also like to check whether the editorial office has addressed the rejection point raised by DOAJ regarding endogeneity: **The 2024 issues does not meet our criteria regarding endogeneity (the proportion of papers authored by members of the editorial or advisory board). DOAJ's guideline is that endogeneity must be no more than 25%**

Kindly let us know if this concern has been reviewed and appropriate steps have been taken by the editorial office.

Once confirmed, we will proceed with the DOAJ re-application process.

Thank you.

Invitation

- Dear Colleagues,

It is our privilege to welcome you to this 11th UPOA Trauma Course on **Upper Limb Injuries**, with the central theme "**Learning from Mistakes.**"

This course has been designed to create an open platform where **real-world experiences, errors, and challenges** are discussed candidly. Through case-based discussions, keynote lectures, and interactive sessions, the program emphasizes not only **what to do** but also, importantly, **what to avoid**.

We warmly welcome you to engage actively, share your own experiences, and take away valuable insights that will help us all evolve as safer, more thoughtful surgeons. Together, let us transform mistakes into milestones of learning and growth.

With best regards,
Organizing Committee
